

	
Das	kleine	Eisbärenbaby	
			
liegt	auf	einem	Felsen.
			
Der	Löwe	schleicht	
			
durch	das	hohe	Gras.

			
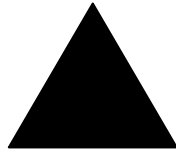

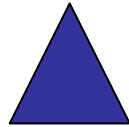

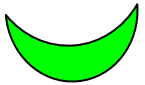

Schläft	der	putzige	Koala
			
in	einer	bequemen	Astgabel?
			
Lange	Bambusstangen	frisst	
			
der	große	Panda.	

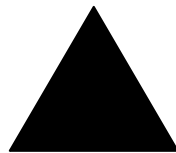

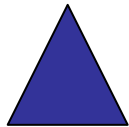

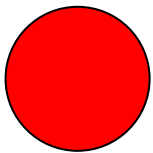

Steht das Giraffenjunge

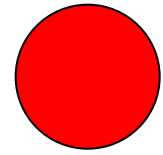

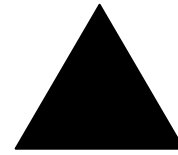

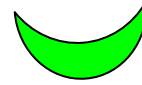

auf wackeligen Beinen?

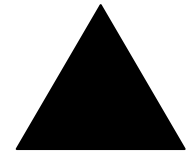

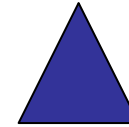

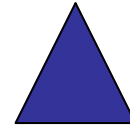

In einem seichten Becken

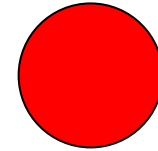

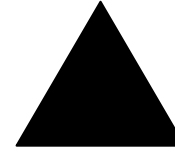

treibt ein träges Krokodil.

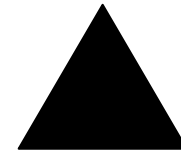

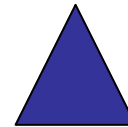

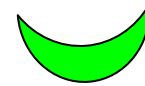

Unter einen Stein kriecht

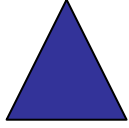

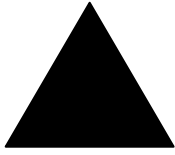

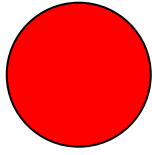

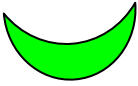

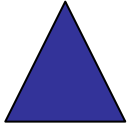

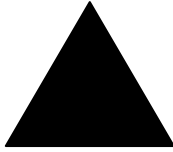

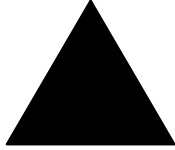

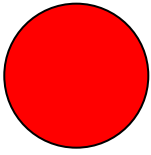

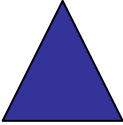

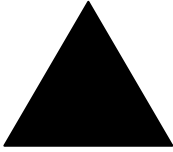

eine schwarze, giftige Spinne.

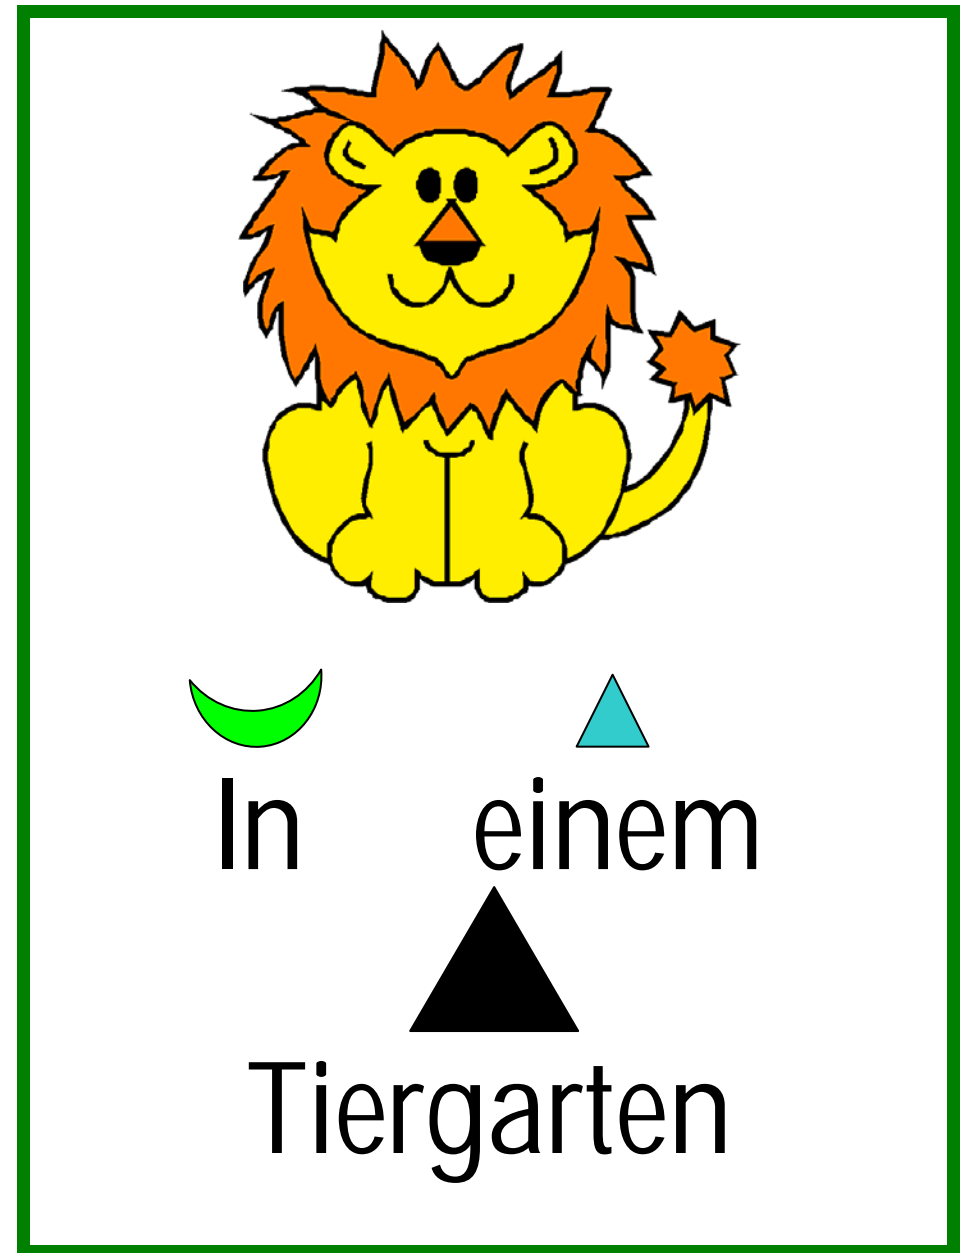

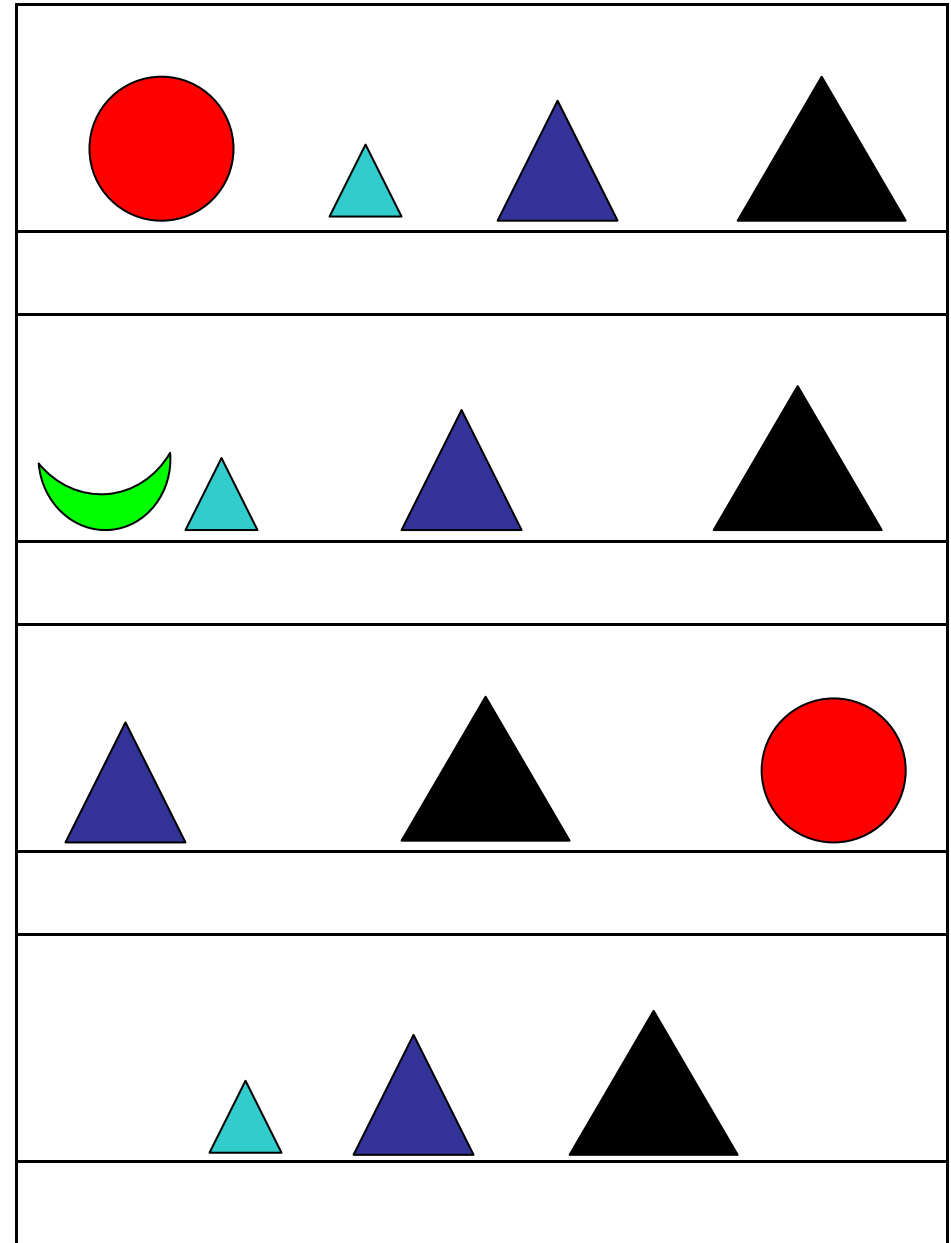

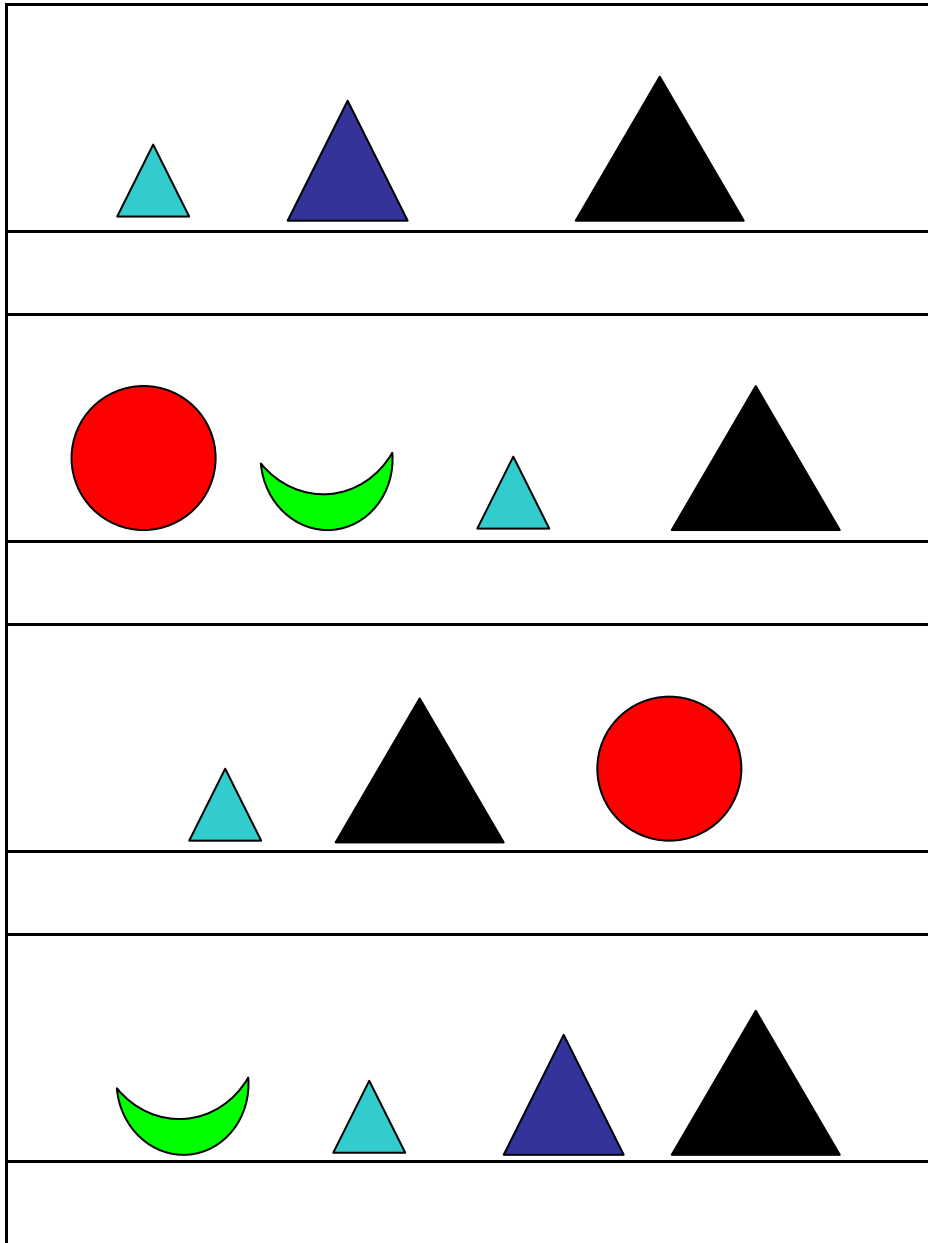

Schimpansen schaukeln

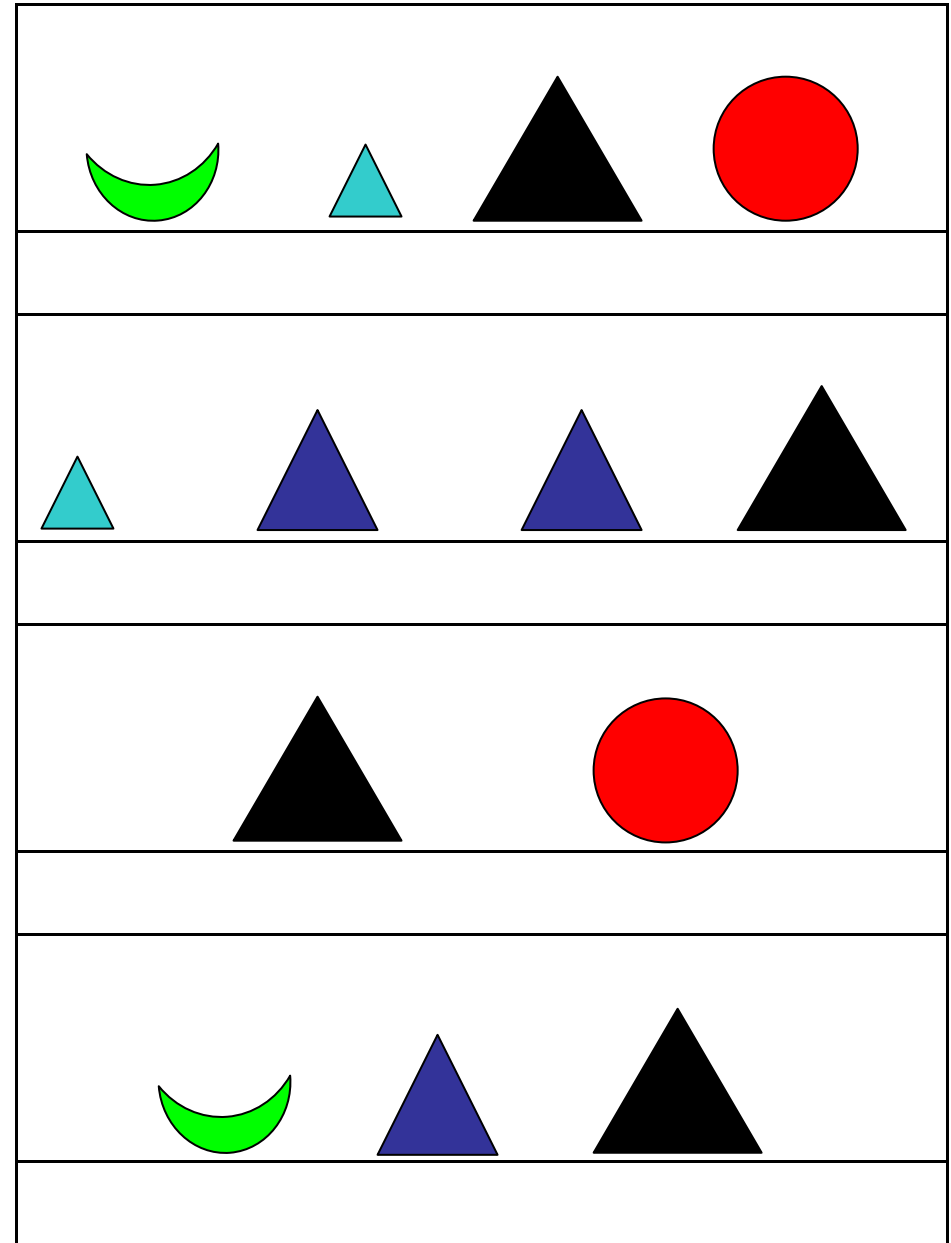

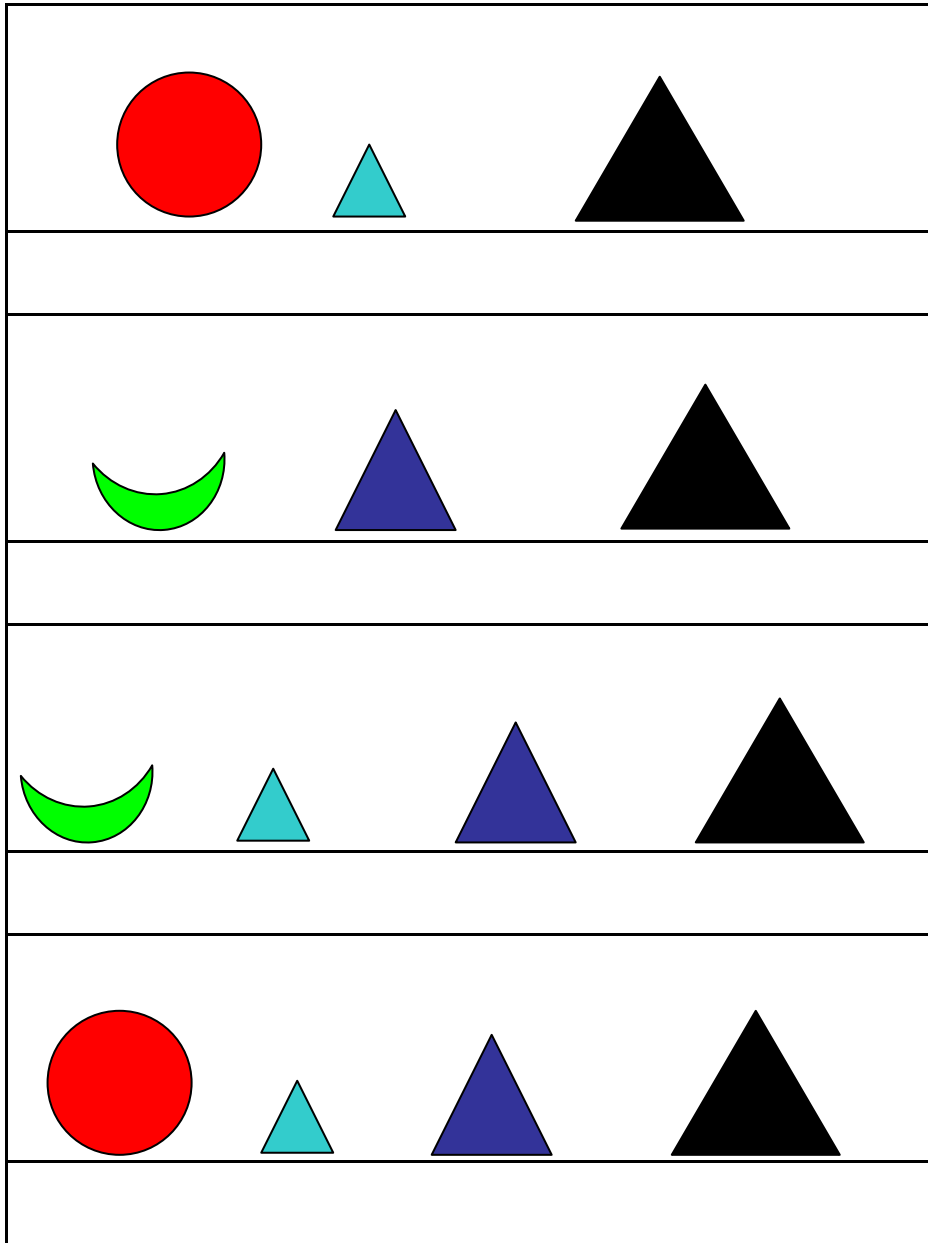

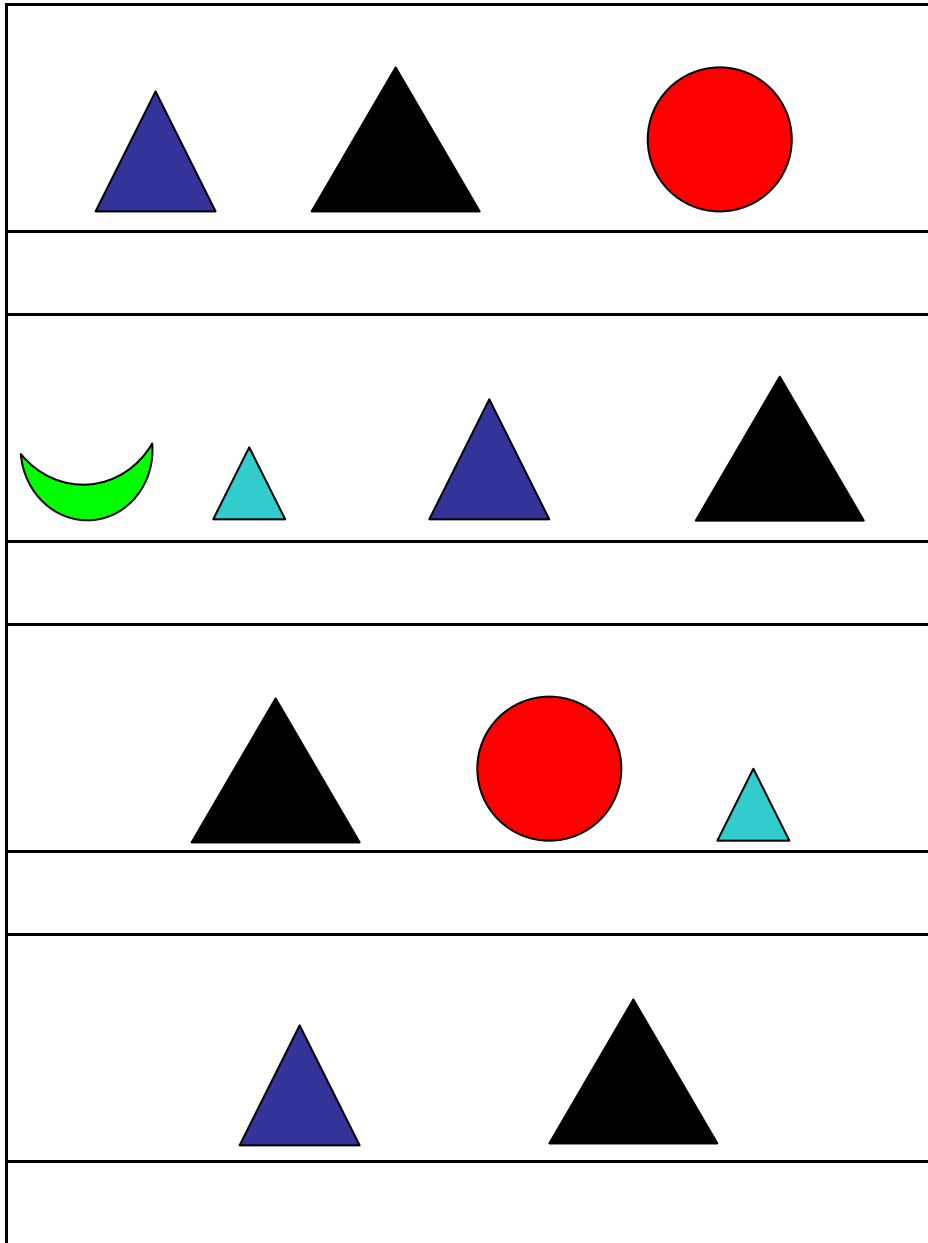

auf langen Seilen.

			
Bunte	Fische	schwimmen	
			
in	einem	großen	Aquarium.
			
Zoowärter	füttern	die	
			
hungrigen	Seehunde.
